

# CONTINUED PROFESSIONAL DEVELOPMENT (CPD)

## 2011/2012

As the Plymouth FdA course closes, and while we wait for a new opening to re-start, the tutor team are offering several short residentials, based in **York** and **Elmfield** (Stourbridge) suitable for practitioners, assistants, administrators, interested parents and others considering training.

These will be unaccredited courses for which you will receive a certificate of attendance, from NESTT (North of England Steiner Teacher Training) which is suitable for demonstrating your continuous professional development.

Each residential will include lectures, seminars and artistic work and will run from 7.30-9.00pm on Friday and 9.00 -4.00pm on Saturday. Meals (£10) and accommodation (£5) in the schools will be available, or you can book your own accommodation locally. These weekends will run if a viable number of participants book before the closing date, **three weeks before each residential**.
