EDUCATIONAL EURYTHMY STUDY DAYS Friday 10th (2pm) to Sunday 12th (1pm) February at Steiner Academy Hereford, Much Dewchurch HR2 8DL

Dear Colleagues

Following the requests and our discussions in July last year, we will meet to:

- Consider eurythmy in the Kindergarten
- Look at how cultural epochs can be introduced with reference to Class 5
- Consider the teaching of tone eurythmy in the curriculum.

Mary Watson and Eve Macgregor will share their work and experience but all colleagues are invited to share and bring their own material and experience.

If there are any other issues that you would like to address please contact Mary at the details below. The cost of the study days will be £60. This is in line with SWSF guidelines and we hope many of you will approach your School for financial assistance from the continuing professional development (CPD) budget. Please make cheques payable to the "Eurythmy Association of GB & Ireland".

Food can be provided at an additional cost of £30 for 2 lunches and 2 suppers and tea/coffee. Assistance can be provided with finding local accommodation (approximately £18-£20 night for B&B) with local friends and families of the School.

PLEASE NOTE: A minimum of 10 participants are necessary to enable the Study Days to proceed. Please contact Mary Watson by 1300 on Friday 3rd February at the LATEST to confirm your place as well as to request food and/or accommodation. In the event that there are insufficient numbers to proceed you will be notified by Saturday 4th.
