BE PART OF THE FIRST STEINER SCHOOL IN MYANMAR

Lotus Garden International School is about to enter its second year and needs Steiner qualified kindergarten and class teachers. If you are looking for an opportunity to explore how East and West can come together to create an ideal education, if you enjoy working collaboratively in a small team and if you have all those qualities – resourcefulness, adaptability, openness etc – that working in a different environment demands we would love to hear from you.

The successful applicant will find themselves working with a group of children brought up to treat their teacher with the utmost respect, in a wonderful environment of purpose-built bamboo, glass and teak wood classrooms set in beautiful gardens and in a town favoured by the former colonialists for its pleasant climate warm enough for mangoes and avocados, cool enough for Arabica coffee and strawberries. The administrative load of the job is minimal, while opportunities for personal development are abundant. The successful applicant will receive board and lodgings in their own home and a small monthly allowance.

School holidays are generous so there will be plenty of opportunity to explore this fascinating country, with its remarkably friendly people. Despite the continuing conflicts in certain parts of the country, it is both safe and easy to travel in Myanmar and there is a wealth of interesting places to visit. Tourist numbers remain very low, but this is likely to change, so come and join us now; there really is no better time!

Tel.+(95) 9.765.8282.81, +(95) 9.976.8282.81
