Come and join our growing Steiner school!

Greenwich Steiner School is an Independent School for 3-14 year olds, close to Greenwich Park. Established since 1998, the school is flourishing and we are in need of flexible, knowledgeable and enthusiastic Teachers to work at KS3 and KS4 who can teach with confidence, flair and creativity. The Steiner curriculum and approach is very holistic and immersive. Children are encouraged to live and experience their learning. Songs, games, drama and stories are used and there is a focus on multi-sensory teaching and outdoor play.

We have small classes with just 200 children in the school overall. This allows for meaningful teacher-student relationships and sufficient one-to-one attention for every child. In addition to being a teacher the successful candidate will have access to training including visiting other Steiner schools as part of sharing good practice.

All staff-members benefit from a coaching programme which is bespoke to help you develop personally and professionally year on year.

Greenwich Steiner School is committed to safeguarding and promoting the welfare of young people and vulnerable adults and expects all staff and volunteers to share and demonstrate this commitment.

An enhanced DBS check (with relevant barred list check) will be required.
