Speaker- Dr **Michaela Glöckler**

Michaela attended the Waldorf School in Stuttgart, then studied German language, literature, and history in Freiburg and Heidelberg. She studied medicine in Tübingen and Marburg and trained as a paediatrician. Until 1988 she worked in the children's outpatient clinic at the Community Hospital in Herdecke and served as school doctor for the Rudolf Steiner School in Witten, Germany.

1988-2016, she had been the leader of the medical section at the Goetheanum, the School of Spiritual Science in Dornach, Switzerland. She remains active as an international lecturer and trainer for Anthroposophic Medicine and Steiner Waldorf Education and is the Co-founder of the Alliance for Childhood and the European Alliance of Initiatives for Applied Anthroposophy / ELIANT and she has contributed hugely to the publication of [Growing up Healthy in a World of Digital Media: A guide for parents and caregivers of children and adolescents](#).

Michaela has many publications in German. Apart from the newly published [Education for the Future](#) in English, her work includes but not limited to [What is Anthroposophic Medicine?](#), [The Dignity of the Young Child](#), [Education – Health for Life](#), [Medicine at the Threshold](#), [Truth, Beauty and Godness](#), [A Healing Education](#) and [A Waldorf Guide to Children's Health](#).
